The second time...

Kuroi goes for the left! He's completely overwhelming Akagi with his assault!

Akagi goes for the body, but Kuroi blocks it! His defense for body shots really is rock-solid!

As I thought, you're aiming for the body. And you're still as sturdy as ever...

Hah

It's not like their guard is even that good... why is this giving me so much trouble...?

Hah...

Even though I've been hitting them this much, other fighters would have already gone down four times by now...!

Kuroi goes down again! Once more, he's sinking into Akagi's body!!!! Akagi wins a come-from-behind victory!!!!!

And now, for the third time...

And that concludes Round 6! Both fighters have been down twice so far! This has truly been a fierce slugfest worthy of a title match!

Will Akagi take down Kuroi and solidify his path to a world title shot? Or can Kuroi overcome his only weakness, defeat Akagi, and become the champion!?

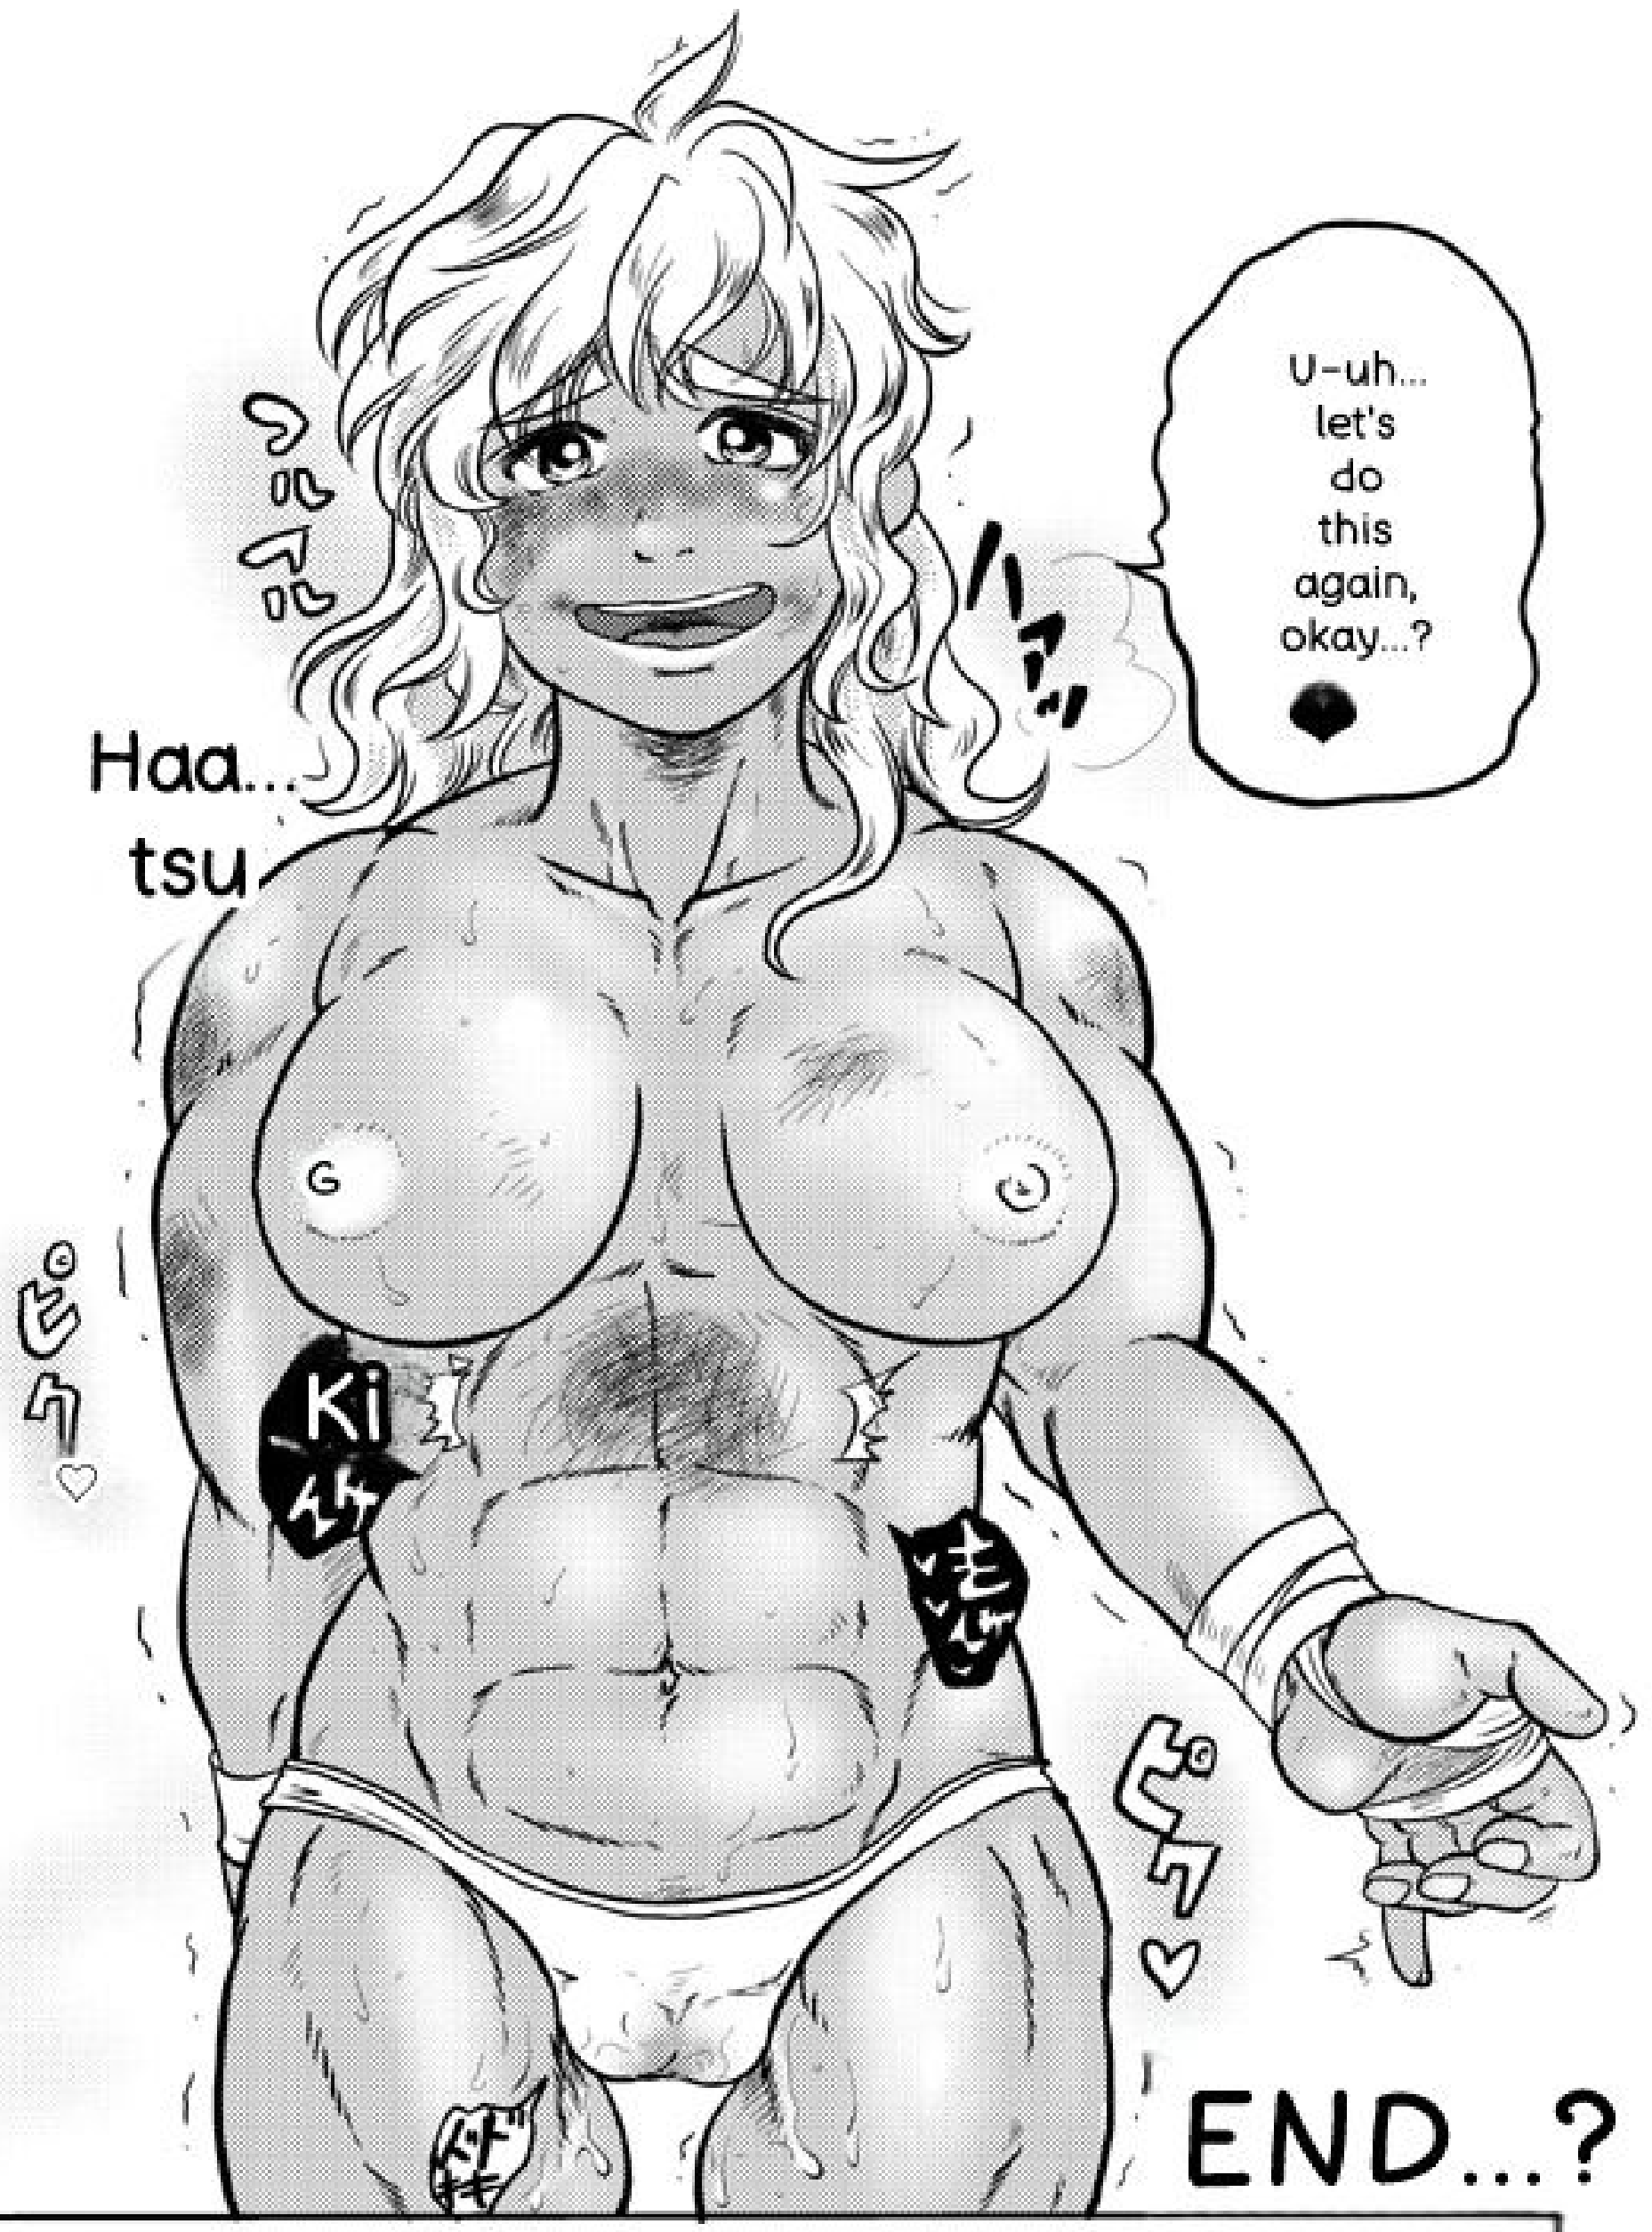
Akagi is completely down! At this moment, Kuroi has achieved his first victory over Akagi and has become the champion!

KUROI

I lost, huh? But that was a great match. I'll be the one to win next time, though!

Congratulations... Let's have a match again!!!



Afterword

Congratulations on the HARAPa13 event!! There are many types of belly-punch enthusiasts, but this time I poured in all my personal kinks: boxing, in front of a crowd, incontinence, topless, ponytail, tan skin, and the feeling of a good belly punch. (Awful, I know. I hope there will be even more belly-punch works out there!!

Thank you for reading until the end. I hope you enjoyed it, even just a little. Until we meet again somewhere.
